Azure 103 Module 2

Hands On - 11
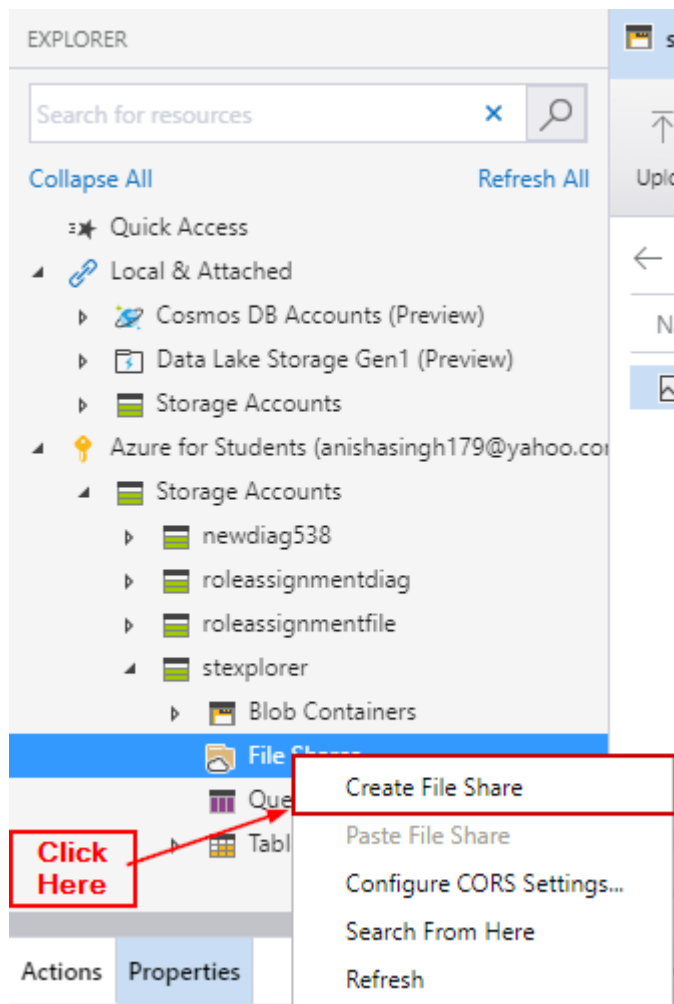

Azure Certification Training
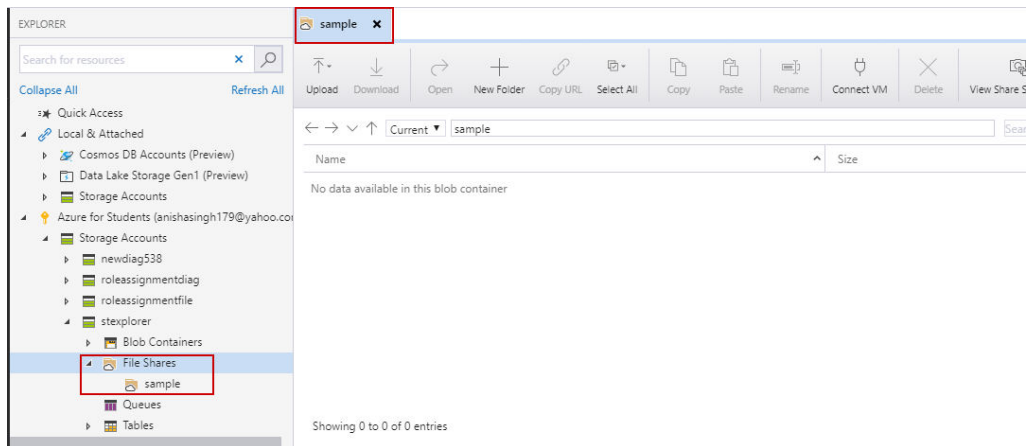

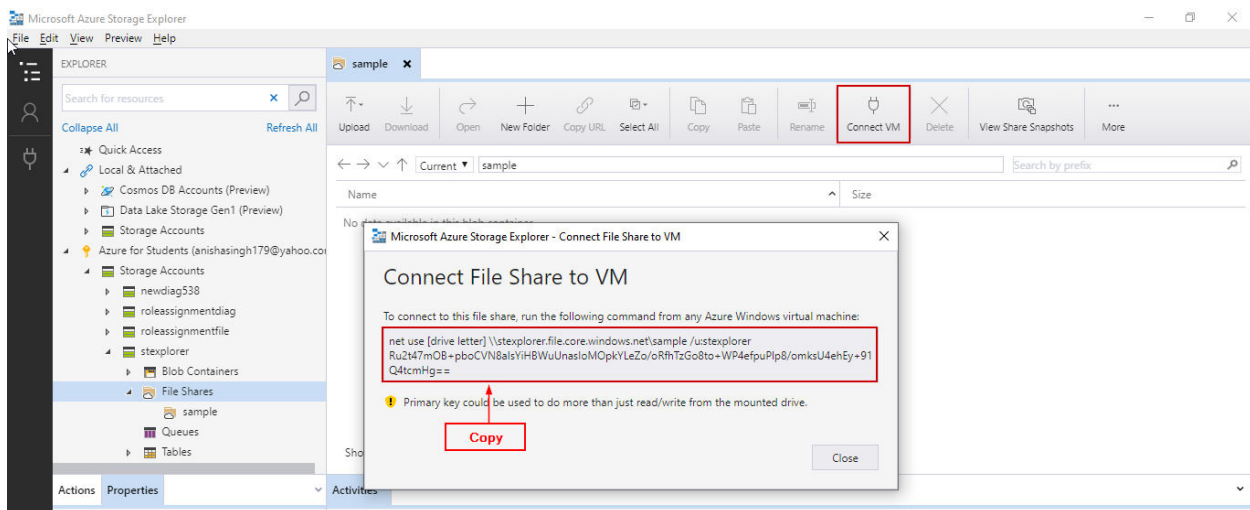

Azure 103 Module 2, Hands On – 11

Create and connect file shares from storage explorer.

Step 1: Right click on File Shares and click on Create File Shares.

Step 2: Click on Connect VM and copy the command.

Step 3: Paste the command in CMD and make sure to replace the [drive letter] with the drive letter of your choice.

```
Command Prompt

Microsoft Windows [Version 10.0.18362.295]
